## CHAIRMAN'S LETTER

A Speech by

**HE Prof. Khaled bin Ibrahim Al Sulaiti**

*Chairman of the Hosting Committee for the 2023 World Arabian Horse Championship  
and Director-General of Katara.*

On this extraordinary occasion of the World Arabian Horse Championship 2023, hosted by the Cultural Village Foundation "Katara," celebrating the Arabian horse as an integral part of our Arab culture, this championship marks a pivotal advancement in the equestrian realm, relocating to Doha after a prestigious 42-year tenure in France.

This accomplishment stems from a strategic alliance between Katara and France's National Center for Agricultural Exhibitions and Competitions, "CENECA," underscoring our dedication to global excellence in harmony with Qatar's aspirations for leadership in diverse arenas, including culture and sports.

With unwavering dedication, we have meticulously curated the championship, cultivating a competitive ambiance brimming with enthusiasm and fostering knowledge exchange among participants.

The contests within this championship serve as a genuine testament to the Arabian horse's grace, opulence, and grandeur, with 150 horses from 21 countries gracing the Doha edition.

Undoubtedly, this stands as a remarkable and distinctive event, instilling pride in Qatar's global accomplishments spanning urban, cultural, and tourism landscapes. Through this event, we aspire to illuminate our Qatari identity and the enduring Arab culture that has bestowed a distinctive status upon the Arabian horse over time.

We unequivocally assert that the 2023 World Arabian Horse Championship will etch a significant chapter in its history as we persist in constructing cultural connections by championing equestrianism and the allure of Arabian horses. In closing, we extend our wishes for an inspiring and delightful experience filled with exhilaration.

### RULES FOR CONDUCT OF SHOWS:

# RULES FOR THE WORLD CHAMPIONSHIP

## CHAMPIONSHIP

YEARLING FEMALES, JUNIOR FEMALES, SENIOR FEMALES, PLATINUM FEMALE,  
YEARLING MALES, JUNIOR MALES, SENIOR MALES & PLATINUM MALES.

### RULES FOR CHAMPIONSHIPS:

Open method

1. The Gold, Silver and Bronze medal winners will be selected from amongst all the horses which have qualified in their respective classes for each championship.

The Championships will be judged as follows:

All the horses qualified for the championship will enter the ring and line up according to the numerical order of their catalogue numbers.

The horses will be judged individually, standing and trotting.

Each judge will nominate his choice for gold silver and bronze medals together at the same time, from amongst all the horses qualified for the championship.

Points will be given to the nominated horses as follows:

A horse nominated by a judge for Gold Medal will receive 4 points.

A horse nominated by a judge for Silver Medal will receive 2 points.

A horse nominated by a judge for Bronze Medal will receive 1 point.

The Gold Medal will be awarded to the horse with the most votes for Gold Medal Champion. In case of an equal amount of vote for Gold Medal Champion, the Gold Medal will be awarded to the horse with the highest number of championships points.

From the remaining horses:

The Silver Medal will be awarded to the horse with the highest number of championship points.

The Bronze Medal will be awarded to the horse with the 2nd highest number of championship points.

In the case of a tie, the Rules for Ties in championships will be followed.

The judges will not discuss the horses.

2. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.

3. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class. Should a horse be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship.

4. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Championship.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the ringmaster/DC.

5. In Title show, A shows and the World Championship all horses that qualified for their respective Championship must remain at the showground until after their championships. Any horse leaving the showground before their Championship will be disqualified.

## PLATINUM CHAMPIONSHIP RULES:

A horse nominated by a judge for a Platinum Medal will receive 6 points.  
Two Platinum Championships for Senior males and Senior females will be held.

The title of Platinum World Champion Male or Female can only be awarded to a senior horse that has previously won the title of Gold World Senior Champion in one of the past editions of the World Championship. These horses will not compete in the qualifying classes but only in the Platinum Championship.

The Platinum Championship will take place separately only if a minimum of two horses are registered for it. The comparative system of judging will be used in both Platinum Championships. Each judge will nominate their choice for Platinum World Champion, and the horse with the highest number of nominations will be declared the winner.

Other participants in this championship will retain their titles of World Gold Champion and will participate in the Platinum award ceremony.

If only one horse is registered for the Platinum Championship, this horse will directly participate in the World Senior Championship and can be designated as Platinum Champion if it obtains the highest score in the championship.

However, if the horse does not receive the highest score in the championship, its former title of World Gold Senior Champion will be maintained, and it cannot be re-classified as Gold, Silver, or Bronze.

The horse that wins the title of Platinum World Champion will not be eligible to participate again in the World Championship.

## RULES FOR SPECIAL TROPHIES:

All horses that are awarded a special Trophy must participate in the prize-giving ceremony. Unless the Disciplinary Committee decides otherwise, any representative of the horse may accept the medal on behalf of the horse.

## RULES FOR TIES IN QUALIFYING PLACES:

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement.

If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tie break. Failing a decision on either of these, one judge chosen by ballot will name his preference.

## RULES FOR TIES IN CHAMPIONSHIPS:

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied.

# OUR HERITAGE DRIVES OUR SUCCESS

Every thoroughbred born on this land begins life with a strong sense of pride. It is the same pride that inspires us to be the heart of our community. A pride that strives to preserve a rich culture. It is this vocation that encourages us to move onwards and upwards. Galloping gracefully, to face challenges head-on. It is in these moments that history is rewritten, and legends are reborn, where our ancestral past meets a new world on the horizon of the future.

# إرثنا مصدر نجاحنا

أن تولد في مثل هذه الأرض، كفيل أن ينمي فيك شعور القوة والفخر، والذي يجعلك أن تكون فرداً فحلاً في مجتمعك ومُدافعاً شرساً للحفاظ على ثقافتها، هذا هو طموحنا الذي يدفعنا دوماً للسير قدماً بخطى واثقة لمواجهة التحديات وجهاً لوجه. هنا، سوف يُخلد التاريخ فصولاً جديدة وأسطراً فنيرة بإنجازاتٍ فريدة، تجمع ما بين مجد الماضي العريق مع آفاق المستقبل المجيد.
